

Certificate of Authenticity

Proof of Ownership from Brand Owner

The GS1 Prefix (123456), for the Brand Owner ****Sample Company****, has contracted with Jampos Softwares LTD to allow the barcode range below to be used by ****Sample****.

Jampos Softwares LTD hereby assigns and certifies the following barcode range:

123456789104 through 123456789142

This certificate confirms the barcode numbers you have purchased. You may download your digital barcode artwork files from your account dashboard or from the links provided in your invoice.

The number highlighted in red on your certificate is the check digit for your barcode number. Ensure that you use the full barcode number, including the check digit, to maintain its validity.

Jampos Softwares LTD maintains a secure database of all assigned barcode numbers to record ownership and ensure that no barcode number is ever duplicated or reassigned.
